

Providing High Quality Medical Supplies and Devices

Who We Are

MedLog Solutions is a distinguished Service-Disabled Veteran-Owned Small Business (SDVOSB), specializing in delivering top-tier medical supplies to government entities such as the Department of Defense, the Department of Veterans Affairs, Indian Health Services, and other governmental agencies. With authorization to distribute products from over 30 esteemed OEMs, MedLog Solutions facilitates federal government agencies in acquiring essential healthcare products and services, prioritizing value and quality.

Our organization meticulously evaluates the necessary characteristics, delivery timelines, pricing, and other pertinent factors to source products and services from a diverse range of OEM partners. Through our adept program management, sales support, logistics, contract administration, and distribution capabilities, MedLog Solutions significantly enhances procurement processes, ensuring optimal outcomes for our customers.

Why Choose Us

MedLog Solutions is dedicated to advancing clinical outcomes for our nation's Veterans and military service personnel by delivering world-class products, technology, and solutions. Our experienced team provides:
